

Staffing Updates

Louis Barocio, our new APED, officially starts on Monday, September 24th. His temporary office is located in the Principal's Conference Room (PCR). You can email him at barociol@esuhsd.org or call him at x74420.

Ralph Davis will be our new Moderate/Severe teacher. He has signed his contract and we are waiting for HR to finish the paperwork. I know that Scarlett Kelly and the entire SPED team are eagerly looking to have a complete team.

David Cobillas has signed his contract to be our new PE and Athletic Director. He is currently teaching at Christopher High School and our HR department is working through the process to get him here as quickly as possible. I know that our PE team has done a great job filling in and are counting down the days until he is official. As the interim AD, I too am looking forward to his arrival.

Monday's Silicon Valley Faces Meeting

Teachers, we will be starting promptly at 2:10 pm. Shay and Tuyen have reviewed our primary concerns from our last meeting and are ready to bring you some real-life tested approaches to help our students succeed.

The lesson will be interactive. Be prepared to share out your homework, to get up and move around, to be reflective, and to be open to a new idea you can implement for the next month.

Thank you for making this a success!

Walkthroughs

74% The week of September 17 – 21, I was able to see 37/50 classrooms. I saw a lot of great teaching and learning. In one class, students were fully engaged in preparing for their STI (sexually transmitted infection) outreach campaigns while in another class, groups of students were taking on their Eras of US History posters. Later in the week I saw Bio-Lit students graphing their most recent activity and in the same hour, a chemistry class was practicing graphing as well. In all of these examples, I was able to walk in and see our ASK in action.

Use your prep and go see this great stuff for yourself!

Our ASK This year:

- A Daily Agenda
- Implement the grade level pillar rubrics
- A Pillar focus built into your daily agenda

Attendance Week JL-Style!
