

“JUSTICE FOR OUR LIVES” AN OPEN MIC FOR TEENS

It's time for everyone to hear your voice, your ideas and your opinions about what's going on in our communities, our schools...our world. We want to hear from Gen Z.

If you are a teen writer and want to share your poetry, essays, short stories, etc. about activism and change, in a 5-7 minute time slot, we want you to join us in TeenHQ for an open mic.

(Middle and High School students welcome)
