JAMES LICK HIGH SCHOOL

Project-Based, Interdisciplinary Learning

Beginning with the 2014-2015 school year, all classes are now taught in the project-based and problem-based learning model. Our students have developed 21st-century skills through our innovative, interdisciplinary courses that combine a variety of subject matters.

Academic Support Programs

The following programs are housed on our campus and assist our students in various capacities when applying for college, seeking financial aid, etc. We partner with San Jose Cal-SOAP and TRiO.

Bilingual Certification

Students who earn a 3 or higher on the Spanish Language AP exam are certified as bilingual.

SVCTE

Silicon Valley Career Technical Education educates eligible high school students for success in careers and college in a professional, hands-on environment. Courses are offered within 11 industry sectors where junior and senior high school students can explore and develop technical skills that will lead them to higher education or into the workplace.
