

# TEEN FOODIES DECEMBER 2022

*Love to craft, love to eat? It might sound like a funny combination, but it's really not. Food Crafting is a thing, and we do it every second Tuesday of the month. Make an epic -looking treat and eat it too.*

**December's Food Craft is: Gingerbread People!**

***Design and paint on their fits with different colored icing and other edible bling.***

*(Middle and High School students welcome)*
